## Welcome Address

Ladies and Gentlemen,

This year marks the 15th anniversary of the organization (in 2008) of the first edition of the bioenergetics meeting at the Nencki Institute of the Polish Academy of Sciences. From the very beginning, the main initiator of these meetings was the Bioenergetics Section of the Polish Biochemical Society. This year's meeting is also co-organized by the Nencki Institute, the Polish Biophysical Society, and the Warsaw Branch of the Polish Biochemical Society. We also want our bioenergetic meetings to commemorate Lech Wojtczak, an outstanding bioenergetician. Hence the initials LW in the name of this year's edition.

Adam Szewczyk (Bioenergetics Section of the Polish Biochemical Society)

Piotr Bednarczyk (Polish Biophysical Society)

Bogusz Kulawiak (Warsaw Branch of the Polish Biochemical Society)
